Moulin-à-Vent Clos de Rochegrès 2020

94 Points

The 2020 Moulin-à-Vent Clos de Rochegrès unwinds in the glass with scents of cherries, cassis, dark berries, sweet soil tones and spices. Medium to full-bodied, ample and fleshy, it's bright and seamless, with powdery tannins, lively acids and a saline finish. It's less ethereal than the 2019 without being as muscular as the 2018, striking a nice balance.
