

LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton Charlemagne Grand Cru 2020

98 Points

What a sensual nose of Amalfi lemon, ripe mirabelle and apricot this Corton-Charlemagne has! Gigantic fruit and almost as much structure behind it, the fine tannins underlining all this beautifully. Mouthwateringly fresh acidity and a saline touch that really ignites this at the very long, brilliant finish. From the south side of the hill of Corton. From organically grown grapes. Drink or hold.
