Fiano di Avellino DOCG 2021

90 Points

The 2021 Fiano di Avellino Montelapio is very pretty and floral, with a core of exotic spice that lurks beneath the surface. It's soft-textured and cool-toned in feel, with a pretty inner sweetness that nicely complements its notes of chamomile and yellow apple. Lime traces linger through the mouthwatering finale as the 2021 finishes remarkably fresh.
