

ZIND-HUMBRECHT

Riesling Brand Grand Cru 2020

96 Points

The 2020 Riesling Brand is from vines planted in the 1950s (predominantly), 1970s and 1920s. Deep, pure, intense and flinty on the complex and refreshing mineral nose that also reveals perfectly ripe (tropical) fruit aromas (mango, passion fruit), this is a powerful, rich and saline Riesling with great intensity, power and compact but fine tannins. The finish is long, intense and salivating, but the aging potential is even greater.
