Gewurztraminer Clos Windsbuhl 2021

95 Points

The 2021 Gewurztraminer Clos Windsbuhl is from older plots of Gewurztraminer in the upper part of Windsbuhl on Triassic limestone. Its nose displays honey, lemon-edged rose petals and fresh ginger. While the nose signals sweetness, the palate is bone-dry, super-textured and shows full-on pithiness, shimmering with bitter almond and marzipan. The wine is dry, playing with your senses - a fantastic game that sets the tastebuds on high alert. The lemon zest finish is full of spice and really long. Wow
