TAITTINGER

Comtes de Champagne Grands Crus Blanc de Blancs 2013

96 Points

Cool and a little inscrutable on release, but the composed and expected clarity of flavour is all there: green mandarin, dried apple, white peach and croissant dough, sitting tightly wrapped with a touch of iodine and subtle char. A beautifully serene texture and gliding mousse deliver length, detail and quiet intensity. Patience is required for the initial sweet citrus to subside into something more complex, but when it does this shows signs of being a classic. 100% Chardonnay from the Côte des Blancs grand cru villages, with 5% oak fermentation.
